

Lifelong Leadership

Our Mission

"To resource, equip, encourage and train pastors and leaders to build up their people, provide coaching for them on every continent, promote the spread of the Good News, and the multiplication of leaders and churches."

WOULD YOU LIKE TO HELP IMPACT AFRICA?

HIS HEART GAVE OUT. We sat with an African denomination leader for 3 hours last week, and listened as he poured out his concern for his pastors. He had just spoken at the funeral of one of his pastors who had died at age 70 of heart failure. He said "I believe his body couldn't take it anymore." You see, pastors in Malawi do all of their travel by bicycle or walking, as they don't have cars. Churches have 6,000 or more people, and the people then become part of a "prayer house," which has 200-300 each. The prayer houses may be spread over an area of 50 kilometers, and a pastor is on the road over half the time visiting them. This pastor's heart finally gave out. Of the 143 pastors, (more like bishops) in this denomination's region, thirty are at retirement age with no replacements. The remaining 110 plus oversee nearly TWO MILLION people in their churches. The average pastor lasts about three years before he burns out. **THEY CRY OUT FOR HELP AND TRAINING.** You can't imagine how grateful they are that **SOMEONE** cares about their plight. **THANK YOU FOR CARING!**

YOUR PARTNERSHIP IMPACTS THOUSANDS OF NEEDY PASTORS, LEADERS AND WIVES, by bringing them to a conference. We will hold FIVE conferences in Malawi from April 21-May 5. The numbers of people these leaders oversee in their churches and villages is mind-boggling. One group of about fifteen pastors has 85,000 people in their churches!

YOU MIGHT SAY, HOW CAN I HELP?

- Your gift of \$35 a day per pastor feeds, provides housing, transportation and material for a pastor. Remember, they cannot afford any of the above.
- Talking Bibles, at \$50 per Bible, are being taken over for those with little education.
- We are providing materials for the women, such as small fetal models to help show the value of life.
- Other gifts, such as toothbrushes, personal care kits, and other items they need.
