CONGRATULATIONS! YOU'VE HELPED IMPACT 3,200 CHURCH PLANTS!!

THANK YOU FOR REMEMBERING TO PRAY for my brother David and me while we were in India! **God's answers are always in multiples.** First, the eighty-one coordinators who attended expressed great gratitude for six days of intense and interactive training that drew them into discovery, discussion, work projects, and demonstration. They shared that they were encouraged, stretched and strengthened to now pass on their training to the pastors who lead and influence 3,200 church plants.

God and His grace continues to grant opportunities to influence more churches in each trip we take than we impacted in thirty-plus years of pastoring in the U.S. We are amazed, humbled and honored. Secondly, David and I experienced God's personal strengthening and insights as we taught. India is the toughest challenge we face in travel. The truth is, if it were not for prayer support and A LOT OF IT, we could not keep returning to India. This was my fifth time in a little over two years.

The joy and gratitude of the young emerging culture leaders makes it all worth it. Our prayer is that we encourage their progress to plant 100,000 churches.

David did a great job preparing them to study and teach Ephesians, a cornerstone of the New Testament. Who says old guys can't bring it? It was my privilege to

teach, for the first time, "Leadership, the Contact Sport: Overcoming the Seven Greatest Needs of Leaders Worldwide". This course is the result of three years of research on six continents, and over forty years of studying and teaching leadership. **Please pray for God's direction, insights and strength, as I develop it into a book this year.**

Women's Team To India In March

Patricia and a team of four women will return to India March 5-21 to train senior women leaders, (not senior in age, but senior in influence), who will in turn pass their training to pastor's wives and leaders. This is a pilot program, being introduced to these Indian leaders for the first time. Our hope and prayer is to take it to other countries.

Pray For The Holy Spirit To:

† Prepare the hearts of the Indian women leaders to receive and reproduce the training into thousands of their leader's lives.

† For last minute preparations for the team who will train. Also pray for grace and insights for Patricia as she leads the team. Pray they will work well together and be great encouragers to each other.

† Pray for safety in travel, especially for two three-hour car trips. Cars in India are the greatest challenge in travel. Pray too for their health and safety from malaria, infection, etc.

† Pray for the Holy Spirit to pour out His power and love in their teaching, and in building relationships.
